

KLYNT PRESSKIT

Primal, raw, powerful. Riff-driven and fully packed with melodies.
Also, pissing off elitists. Because we feel like doing it.

Our new album **THUNDEROUS** is out now:
Recorded and mixed by Doom Studios Linz, mastered by Norbert Leitner, released by
Kvlt und Kaos Productions. Erupting boundlessly, convulsing the earth, its scorching
tempest spewn. And we shall combust in its flame.

From left to right: Dadu (Vocals), Patrick Hiebler (Guitar),
Alexander Fürbaß (Drums), Flavius Miron (Guitar), Gregor Pilgram (Bass)*
